Dear Ms. Leobelle De Vera-Landicho,

Good day!

I am writing to apply for the Sports Program Head in your organization. I recently graduated with a Bachelor of Science in Entrepreneurship from De La Salle University. During college, I was also a student-athlete and the captain of the De La Salle University baseball team. I am interested in this position because I enjoy sports and I want to help other athletes grow and succeed.

Being a student-athlete taught me how to manage my time, work with different kinds of people, and stay committed to my responsibilities. As a team captain, I learned how to lead my teammates, communicate with coaches, and help keep the team focused on our goals.

I also had the chance to represent De La Salle University and the Philippines in different baseball competitions. I won gold medals in the SEA Games and the East Asia Baseball Cup. I also competed in the Asian Games and the Asian Baseball Championship. In the UAAP, our team won silver medals in Seasons 87 and 88. These experiences taught me the importance of teamwork and discipline.

I may be a fresh graduate, but I am willing to learn. I hope I can use what I learned from school and baseball to help your sports program and support your athletes.

Thank you for taking the time to read my application.

Liam Alexei O. De Vera
